

# openSUSE Virtual Conference

Sponsorship Prospectus 2021

The openSUSE Conference is an annual event that joins members of the openSUSE Project and Open Source Communities. This year's conference is virtual and is scheduled to take place online from June 18 to June 20. The goal of the conference brings together fun, smart and open-source minded community members to discuss and present topics relative to open-source technologies, projects and communities. People learn, teach and share their passion for open source at events hosted by openSUSE annually. The conference is a free and open community event. Anyone can attend the presentations free of charge. Sponsoring the event helps to provide the conference organizers and co-communities with the support needed to put on such an event, while keeping the admission free.

Sponsors can connect with the amazingly talented and diverse groups of Open Source users, sysadmins, developers, designers and community leaders by sponsoring the openSUSE Virtual Conference. The conference is sponsored by various open source projects and companies. The conference presents an opportunity to get your brand in front of open source developers, users and system administrators. Your sponsorship supports our shared interest in spreading the word of knowledge and expertise of open source. For more information, or for a personalized sponsorship package, email [ddemaio@opensuse.org](mailto:ddemaio@opensuse.org)
