openSUSE Conference 2023

Sponsorship Prospectus 2023

The openSUSE Conference is an annual event that joins members of the openSUSE Project and Open Source Communities. This year's conference is once again scheduled to be a hybrid conference with some virtual and many live/in person presentations from the Z-Bau in Nuremberg, Germany. The conference is scheduled to take place at the Z-Bau and online. The dates are currently scheduled from May 26 to May 28. The goal of the conference brings together fun, smart and open-source minded community members to discuss and present topics relative to open-source technologies, projects and communities. People learn, teach and share their passion for open source at events hosted by openSUSE annually. The conference is a free and open community event. Anyone can attend the presentations free of charge. Sponsoring the event helps to provide the conference organizers and co-communities with the support needed to

Sponsors can connect with the amazingly talented and diverse groups of Open Source users, sysadmins, developers, designers and community leaders by sponsoring our conference. The conference is sponsored by various projects, companies and individuals. The conference presents an opportunity to get you and your brand in front of open source developers, users and system administrators. Your sponsorship supports our shared interest in spreading the of knowledge and expertise of open source. For more information, or for a personalized sponsorship package, email ddemaio@opensuse.org
